Enters Procure-to-Pay Market With New Accounts Payable Solution

The Associated Press

ADP (http://www.adp.com/) @, a leading provider of outsourced HR (http://www.adp.com/solutions/employer-services/human-resources. spx) , payroll, and benefits administration services, today announced it has completed its acquisition of DO2 Technologies Inc., of Calgary, Alberta, a leading provider of electronic-invoicing solutions.

The technology acquired from DO2 Technologies simplifies the procure-to-pay function, from purchase order integration and transaction processing to discount management, price compliance, approvals workflow, and payment. The solution is delivered through a Software-as-a-Service (SaaS) model, enabling quicker ramp-up and a lower cost of ownership.

"The acquisition of DO2 Technologies allows ADP to help finance professionals better run their day-to-day operation, while offering greater visibility and the ability to focus on strategic initiatives to drive business results," said Kathy Amooi, Senior Division Vice President and General Manager for ADP's Tax and Financial Services business.

ADP's tax and financial services solutions include payroll, tax filing, payment solutions, garnishment services, unemployment compensation management, tax credit services, sales tax automation, and accounts payable.
