

April 2013: Power and Wireless Power Supplies

The image shows the cover of ECN Magazine for April 2013. The cover features a central graphic of a battery with a lightning bolt symbol, surrounded by blue concentric circles representing wireless signals. The magazine title 'ECN' is in large red letters at the top left. The issue date 'APRIL/13' and website 'ecnmag.com' are in the top right. The main headline is 'Wireless Power' in white, with a sub-headline 'Q&A with the experts from A4WP and WPC' in yellow. Other article teasers include 'Power Supplies: IEC61000 EMC PERFORMANCE CRITERIA', 'SMART GRID', 'BENDABLE DISPLAY TECHNOLOGY takes the stage', 'EMBEDDED SYSTEMS', and 'LED rundown'. The Digi-Key logo and website 'DIGIKEY.COM' are in the bottom right corner. A white rectangular box is present at the bottom left of the cover.

The April issue of ECN deals with power and wireless power supplies. In the Editor's View, Executive Editor Chris Warner discusses Marissa Mayer's infamous memo to Yahoo employees, Managing Editor Kasey Panetta details bendable display technology, and Technical Contributor M. Simon delves into the pros and cons of LEDs as they relate to design.
