## **Advanced Battery Technologies, Opens New Battery Production Facility**

PowerPulse.net

**Advanced Battery Technologies, Inc.** announced the grand opening of its new polymer lithium-ion battery production facility in Dongguan City, Guangdong Province, P. R. of China.

On December 10, 2011, **Dongguan Qiang Qiang Amperex Tech. Co. Ltd.**, a wholly owned subsidiary of ABAT, opened the facility to the public with a grand ceremony. Officials from the central government as well as local Dongguan City government officials and guests witnessed this event.
