"The PlayBook is an innovative union of design and enhanced performance, giving users hours of entertainment and a replacement for traditional laptops. Maxthon Mobile is the perfect accompaniment for this tablet since it provides unmatched speed and performance," says Jeff Chen, CEO of Maxthon. "The PlayBook is ideal for reading and watching content and there's no question Maxthon Mobile's browser serves that need very, very well."

"Maxthon Mobile makes surfing the web a pleasure on the PlayBook, because it's designed to address the specific needs of a tablet browser," says Karl Mattson, GM of Maxthon International/Chief of Product Development. "For example, our PlayBook browser offers special, tablet-optimized advanced touch screen gestures and free cloud services that allow you move easily from PC to handset to your PlayBook.,"

"The ratings from PlayBook users suggests we're on the right track: Maxthon Mobile for the PlayBook is 5-star way to enjoy the best of the web."
