

CSC names Lawrence Zimmerman to its board

The Associated Press

Computer Sciences named Lawrence Zimmerman to its board, where he will chair the audit committee.

Zimmerman, 69, had been vice chairman and chief financial officer of Xerox Corp. He also spent 32 years with IBM in various senior finance positions including corporate controller. He currently serves on the boards of Brunswick Corp. and Delphi Automotive

Computer Sciences Corp., based in Falls Church, Va., rose 4 cents to \$31.45 on Tuesday.
